A Positive Solution for Living Well!

A Coaching Seminar presented by Gloria Andrioli, Ph.D.

Training people from all walks of life how to promote their own self-healing for successful living, including health, relationships, career, and personal enrichment.

The Life Make Over© seminar addresses the foundation of Transpersonal Psychology, using simple practical techniques to accomplish whole transformation of the body, mind and spirit.

The Life Make Over© (LMO) is a user-friendly therapeutic healing card system designed to empower you, and to assist you in overcoming personal obstacles so that you may initiate a better quality lifestyle.

The (LMO)© is an inspirational and informative life-coaching tool that includes a rainbow deck of 224 cards and a guided card session on CD.

The cards offer a path to learning about your soul psychology. Each time you use the cards you can bring fast resolution to past and present unresolved issues and clear dysfunctional patterns that block you from enjoying a healthy and fulfilling life. A session takes only 15-20 min. You can also use the cards with family or friends, or if you are a therapist use the process as a healing tool. It's fast, easy to use and fun.
