

Reconnect With God

The Truth of God's Love + His Light = Peace

Your Peace of Mind + World Peace

An interactive, Informative, and Enlightening 7-week course to help you in remembering your connection to God – The source of All There Is, Was and Ever Will Be

Ever wonder if the books you've read (or are reading) would be approved by your religious community ... or if that workshop on gemstones and crystals would be considered acceptable ... or if that lecture you're thinking of attending would be something 'just not good'?

If you've answered "yes", then this IS the course for YOU!

Receive recommendations and learn techniques for balancing your traditional religious practices with your current spiritual experiences.

Listen to others who share your similar challenges.

Gain confidence in saying "yes" to that still voice within, as God, who wants you to become the best and highest version of yourself.
